

COLUMBUS IN HANDS OF LAWLESS MOB AND POLICE OFFICIALS LAX IN DUTIES

Troops May Again be Called as City is Unable to Cope With Situation and Pedestrians Lives are in Danger

REVOLVER DUELS FREQUENT ON THE STREETS

Many Injured in Fulsade of Rocks and Bricks in Various Parts of the City—Only Saloonists and Loiterers Arrested While Rioters are Allowed to Continue Depredations -- Strike Has Assumed Dangerous Aspect.

BATTERY C UNDER ORDERS.

Indications that the state authorities were watching strike conditions carefully, developed yesterday when members of Battery C, the local machine gun company, were ordered to report to Briggsdale, where Battery C farm is located. It could not be learned last night whether any other commands had received orders to mobilize.

THE INJURED.

Henry Dick, motorman, shot through calf of right leg; at Mt. Carmel Hospital.
J. Wagner, conductor, head and shoulder bruised by stones.
Detective Ollie D. Hamer, struck in arm by stone.
Harold Harvey, motorman, head gashed, body bruised by flying bricks; at Mt. Carmel Hospital.
A. Anan, conductor, back injured by being struck by brick.
A. Anderson, motorman, fingers mashed and wrist sprained by brick.
C. Brown, motorman, finger mashed by brick.
J. Kidwell, conductor, back injured by brick.

Columbus, Aug. 12.—Rioting in connection with the street car strike last night assumed the most dangerous aspect since the trouble began. One motorman was shot in the leg, six other car men were injured by rocks and a detective was hurt by a stone just previous to a revolver duel, participated in by three detectives and the occupants of a passing automobile.

There were only two arrests, one of a saloon keeper for keeping open, and one of a man for loitering, although cars were stoned in many sections of the city, torpedoes and other small explosives were placed on the tracks and one car was derailed. Stones and shots greeted cars frequently on the West and South Sides. The trouble extended to Neil avenue and the East Side, where shots were fired at intervals and torpedoes were placed on the tracks. Shots were fired North Fourth street, and Miss Florence Hinchman, a passenger, was frightened into nervous prostration. The police seemed to be powerless. Arrests were not made, although at times the policemen mingled with the people on the streets. Mayor Marshall and Safety Director McMahon were at police headquarters during the evening, directing operations. The plan of stationing men along the lines at intervals, and sending automobiles loaded with police to note where disorder was reported was followed. The troubles of the evening demonstrated the helplessness of the police to cope with the tactics of the rioters.

Word was given our last night by chamber of commerce directors, who have been talking arbitration, that further efforts in this direction will be discontinued until the police have succeeded in restoring order at all hours of the day and night.

The directors of the chamber of commerce met with Mayor Marshall and Safety Director McMahon in the afternoon and spent several hours discussing ways and means of aiding the administration in the restoration of order.

PROSECUTOR SMYTHE VISITS GOV. HARMON AT COLUMBUS TODAY

Without one of the objects in attending the session of the special grand jury for a few days was to enable the prosecuting attorney to obtain requisitions from Governor Harmon for the apprehension of fugitives from justice in connection with the teaching of Carl Eberling on the night of July 8. Quite a considerable amount of legal machinery is necessary to be gone through with in order to secure requisitions. The demand must be made on the governor, who appoints an agent for the

state, who must go with sworn evidence that the person to be extradited is a fugitive from justice. He must be armed with all necessary papers and a statement in writing from the prosecuting attorney setting forth the facts.

Prosecuting Attorney P. P. Smythe was in Columbus Friday for the purpose of obtaining this authority from Governor Harmon. These papers are submitted to the governor of the state where the fugitive is found or arrested, who is authorized under the federal constitution to grant the extradition. The work of the grand jury will be resumed on Tuesday of next week by Assistant Attorney General Miller and Prosecutor P. B. Smythe, who will push the investigation until every one connected with the work of the 8th of July is apprehended and punished.

NEWARK LOOKS GOOD TO COLUMBUS BUSINESS MAN

A Columbus business man in the city today expressed surprise at the manifest difference in the law and order situation between Newark and his own city. "If we had a grand jury in session in Franklin county," he said, "and if proper efforts were made to arrest and indict men charged with serious crimes as has been done here in Newark, law and order in Columbus would be restored in short order." The way the Licking county grand jury has acted in the prosecution of the late rioting and lynching was really an eye-opener to the Columbus gentleman who had been so awfully prejudiced against Newark by the brutal pictures and exaggerated stories written and published by Columbus correspondents and newspapers. "I shall plainly tell Columbus," he said, "when I return home, that she had better pattern after Newark and indict and prosecute the criminals so that they will have some actual knowledge of what law and order means. The grand jury is far better than the militia."

KILLED IN AUTO WRECK

New York, Aug. 12.—John Lang, 24, a real estate dealer of West Brighton, was killed; Karl Walz, 22, clerk, is dying and three other Staten Island residents were more or less seriously hurt today when Lang's automobile turned over just outside of West Brighton. A fire burst while Lang was running the car at a high rate of speed and the machine swerved and toppled over into a ditch, pinning the occupants underneath.

REGATTA ON THE POTOMAC

Washington, Aug. 12.—With a cloudless sky and the shimmer of the Potomac River scarcely broken by a breeze, Washington today promised the greatest regatta in the history of the national association of amateur oarsmen. Crews and crews of single scullmen, seventy-four entries in all, from thirty-six clubs in eighteen cities were ready for the crack of the starter's pistol.

DAUGHTERS

Of Late King Leopold May Try to Recover Property if Barones Vaughan Marries.

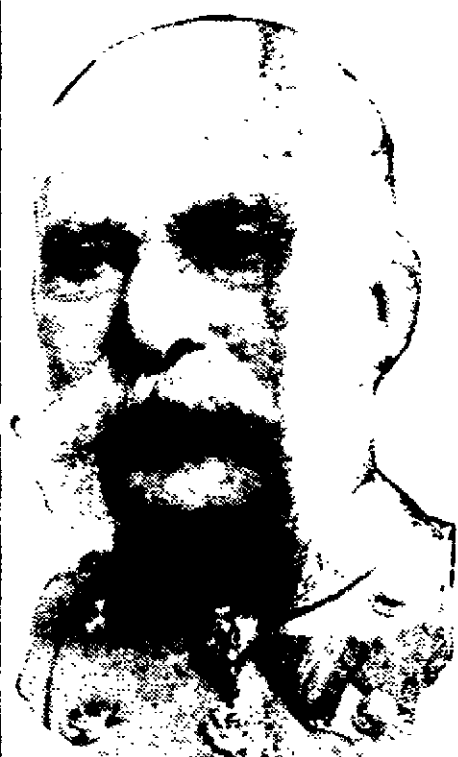

Brussels, Aug. 12.—Cousins and Princesses Louise, Marie and Stephanie, daughters of the late King Leopold of Belgium, today took preliminary steps to see if the Barons Vaughan, marquisate wife of the king, cannot be dispossessed of the property of her husband, who had announced intention of wedding her. The baroness, a widow French merchant living at Neuilly-sur-Seine, the baroness, who is living in the Cateau la Bataille, the gift of Leopold, got by her the large part of Leopold's fortune, estimated at \$10,000,000, the three daughters being cut off with small legacies.

TAFT CONFERS WITH NICHOLAS

Beverly, Mass., Aug. 12.—President Taft discussed Ohio politics with Congressman Nicholas Longworth and the golf links at the summer capital today.

EMPEROR FRANCIS JOSEPH NEARS FOUR SCORE YEAR POST

Vienna, Aug. 12.—Emperor Francis Joseph of Austria will celebrate his eightieth birthday and his fourteenth anniversary as emperor Thursday, Aug. 18. His grand forebears have been arranged in the city.

EMPEROR FRANCIS JOSEPH

and the people of the capital are preparing to observe the day with great rejoicing and athletic contests of all sorts, while the royal court attaches will celebrate in a most pompous manner the long life of their beloved ruler.

STRIKE ON OHIO ELECTRIC IS HARDLY PROBABLE, STATE CARMEN ON THOSE LINES

Published reports from Springfield and Columbus predicting a strike on the Ohio Electric railway conductors and motormen caused some uneasiness here Thursday evening. Rumor had it that the men would quit at 4 p. m. and when the interurban cars did not arrive on time, due to the heavy traffic at Buckeye Lake and Black Hand, many thought that the strike was in effect. Conductors and motormen interviewed both in Newark and at Hebron and Buckeye Lake said they had heard nothing of the matter and were sure no strike was contemplated. One employee when asked if the men were thinking of striking in sympathy with the Columbus street railway employees said that a strike of the Ohio Electric men would be the worst thing that could happen for the Columbus strikers.

"How do you figure that out?" was asked. "The Columbus people are using the interurban cars very freely instead of riding in the Columbus Street Railway company's cars, aren't they?"

"That's just it," was the railway man's answer. "They are riding with us and thus are helping the Columbus strikers."

DICK WILL INTRODUCE HARDING TO PRESIDENT

Beverly, Mass., Aug. 12.—Senator Nelson W. Aldrich, on board his steam yacht, the O-W-R-A, slipped into Beverly early today, interrupted the president's breakfast, and talked politics and "gossip" for 15 minutes with the chief executive. The Rhode Island senator took the newspaper men to task before the time set for him to deliver a speech. His speech was postponed and he spent the afternoon with the president's family.

INDIAN BABIES MADE TO SIGN THE CONTRACTS

Meacham, Okla., Aug. 12.—The Indian children of the Five Civilized Tribes, as well as the children of the other tribes of the Indian Territory, were made to sign the contracts for the purchase of land in the Indian Territory today. The children were lined up in rows and each child was given a small card to sign. The children were told that if they signed the card, they would receive a piece of land. The children were told that if they did not sign the card, they would not receive a piece of land. The children were told that if they signed the card, they would receive a piece of land. The children were told that if they did not sign the card, they would not receive a piece of land.

THOUSANDS OF DOLLARS LOST BY STATE BOARD OF PUBLIC WORKS

Columbus, Aug. 12.—That the state board of public works has lost thousands of dollars of a contract with the city of Columbus for the construction of a new bridge over the Scioto river was learned today.

On the northern division of the Ohio and Erie canal, between Cleveland and Desden, a recent inspection developed the fact that several pieces of cement work which have cost from \$5000 to \$8000 each have crumbled into a state of ruin. The work was done within three years after they had been built. This was found to be due to the fact that very little cement had been used in their construction. In some parts of the work it was declared that plain mud had been used. Men who were with Chief Engineer Marker in his inspection tour were able to kick blocks from the walls. It is declared by Chief Engineer Marker that the work had been properly done, should have lasted practically forever.

The chief engineer is held responsible for the work of the inspectors and for this reason Marker is getting rid of those who were appointed.

On the other hand, the chief engineer is held responsible for the work of the inspectors and for this reason Marker is getting rid of those who were appointed.

EXCELLENT CONDITION OF PATIENT

Physicians of Mayor Gaylor Give Encouraging Bulletins

PATIENT IS CHEERFUL

Tests of Blood Show That There Is No Infection Up to Present Time.

Hoboken, N. J., Aug. 12.—The doctors in attendance upon Mayor Gaylor, lying stricken from a bullet wound in St. Mary's hospital, continued today to issue encouraging bulletins regarding his condition.

At 7 o'clock the following bulletin, signed by Doctors Chas. M. Dowd and Wm. J. Arltz, were given out:

"The mayor has passed a very good night. He has slept seven hours. He is comfortable this morning and is in excellent general condition; temperature 100, pulse 70, respiration 16." This followed a six o'clock bulletin signed by Dr. Arltz, which read:

"The mayor is resting quietly. He slept all night."

Dr. Dowd said today that arrangements have been made to have an operating surgeon constantly in the mayor's room. This precaution is taken from apprehension that the bullet wound may show signs of infection at any time, necessitating an immediate operation.

There is no sign yet, Dr. Dowd explained, that the wound is in danger of infection. When last dressed it appeared to be in a healthy condition and the doctors are reasonably sure that infection will be avoided. The doctors are divided in their opinion as to the value of the X-ray photographs of the wound that were taken by Dr. Caldwell. Several of the doctors maintain that as X-ray photographs in such a case cannot indicate exactly the lateral position of the bullet it would be unsafe to attempt an operation with no other guide than the photographs. There will be another general consultation of the doctors at 8 o'clock tonight, at which the question of the operation will be further discussed. The mayor enjoyed a hearty breakfast today. His wife was present and he seemed stronger and more cheerful than at any time since the shooting on Tuesday.

The doctors were today congratulating each other that they had refrained from operating following the taking of the first set of X-ray pictures which located a "split bullet."

The second set of pictures taken yesterday was developed today and twelve prints from different plates all show the bullet in the vault of the pharynx back of the nose. It is said to be located where it can be quickly extracted should an operation become necessary.

The samples of Mayor Gaylor's blood will be taken for examination daily from now on. So far the tests have shown no evidences of infection. Danger from this source of infection is greater just now and it is because of this fact that an operating surgeon will be held within call for a week at least. The mayor has difficulty in swallowing but the doctors agree that this is to be expected and that he is doing fine.

GAYNOR'S REPLY TO HARMON.
Columbus, O., Aug. 11.—Governor Harmon received an acknowledgment today of the message of sympathy he sent to Mayor Gaylor of New York. It was from W. B. Maloney, executive secretary, and was as follows:

New York, Aug. 10.
Edison Harmon, Governor.
Columbus, Ohio:

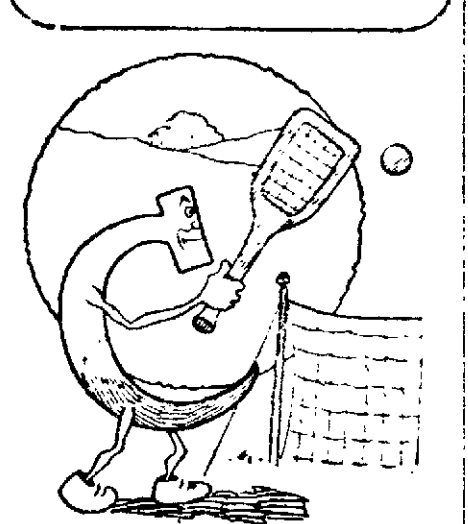

"I thank you in behalf of the mayor for your kind message which I will convey to him at the earliest opportunity. The mayor is strong and cheerful."

(Signed) W. B. Maloney,
Executive Secretary.

FAVORED FIGHT PICTURES.
New York, Aug. 12.—In an article in the current issue of the Princeton Review of prize fighting and prize fight pictures, Mayor Wm. J. Gaylor says: "A lot of pressure has been brought to bear on me concerning the prize fight pictures. You cannot 'assist' the American boy. He will not permit it and you do not want him to. I have never seen a prize fight, but I have never seen a prize fight picture. I have never seen a prize fight picture. I have never seen a prize fight picture."

Many a Bohemian is so eccentric that he would rather be poor than married.

WHAT IS IT?

What state?
Answer: To Thursday's picture sheet.

GAMES TODAY.
Portsmouth at Newark.
Lima at Marion.
Lancaster at Chillicothe.

THURSDAY'S RESULTS.
Portsmouth 5, Newark 0.
Marion 6, Lima 3.
Chillicothe 3, Lancaster 2.

When Babe Wadsworth appeared, Merz on one particular day towards the middle of August, he looked up his victory simply to the fact that he had a better record than the other players. But the fans weren't satisfied, and he had to go on and on. The fans were not satisfied, and he had to go on and on. The fans were not satisfied, and he had to go on and on.

It was a game that made the fans of a real fan, for at stated intervals through out the game some one would throw a "skunk" ball. This would make the whole machine. Another very good reason why Newark didn't win was that the fans were not satisfied, and he had to go on and on. The fans were not satisfied, and he had to go on and on.

Mr. Watkins kept his eye on Mike O'Leary, Portsmouth's center, and he was satisfied with what he saw. He was satisfied with what he saw. He was satisfied with what he saw. He was satisfied with what he saw.

The affair started as though it would be a real ball game, and it kept up the appearance for a while. But the fans weren't satisfied, and he had to go on and on. The fans were not satisfied, and he had to go on and on.

That was the only way that was covered in the game. The fans were not satisfied, and he had to go on and on. The fans were not satisfied, and he had to go on and on. The fans were not satisfied, and he had to go on and on.

Mr. Henry expects to visit in New York for several days and will also spend a day looking over the old fortifications at West Point and vicinity.

Mrs. C. B. Arndt of Hanover visited the Messrs Davis, Margaret and Mabel Fleming Tuesday. Miss Mable Fleming of Kansas is visiting her aunt,

Heart and Home Talks by Barbara Boyd

The Magnificent Eye-sight of a Blind Man.

He is blind, and has been ever since he was a lad, though now he is a man past fifty. One would have thought, with this handicap, he would have resigned himself to living his life as easily as possible, that he would, at least, have chosen the path of least resistance. But not so. He is today the head of a large school for boys, the idol of his scholars, a man of unusual force and influence in his world.

As one looks upon his tall erect figure, his fine head with its crown of silvery hair, his strong face, his mild eyes, which do not appear, at a casual glance, to be sightless, one cannot say that this man does not see. He may not see the material things about us which the rest of us perceive, but he has magnificent visions of which we know nothing.

For one thing, he was able to see the school he has created. Perhaps in his seeming darkness he was able to get a clearer vision of it than if his faculties had been as 'other peoples'. He looked mentally and saw the road ahead of him, all the obstacles he would need to overcome, just what part he must perform, just what he must get others to do.

But best of all is what he sees in the boys who come to him. He talks to each. He learns to know the walk and the voice of each, and his mental eyes, keener than the physical eye, sees, in truly marvelous fashion, each boy's character, its strong points, its weak places. As the boys come and go before him, he sits there and sees their future. He can perceive clearly what this boy needs in order that he may be made morally strong, what that boy needs to be rightly developed. Best of all, he sees the fine man possible in each and how best to bring it out.

What more magnificent eyesight could one ask than this? If each of us could see the good in those about us, if we could have clear, true vision as to best how to help the man or woman at our side, what true sight it would be! It may seem a terrible hardship to be shut out from enjoying the beauty of the world about us, from seeing the faces of those we love. But if this physical sight holds our sense to trivial things, is it, after all, the truest sight? Hasn't this blind man with his keen perception of finer, more real things, the truest vision? Isn't it more worth while to see clearly that intangible something in a boy that will bloom into character than to note his face? Isn't it something to have the sight that helps one build a monument like this school than the sense that perceives only the things about one and is content with them? Eyesight, it would seem, is not a matter of the eye alone. This man, though blind, sees more truly and works more nobly because of what he sees than do many of us who have what we are proud to call two good eyes. Actual sight with him is a detail which somebody else can supply. His is the true sight which senses the real things of life.

Barbara Boyd

CARROLL'S First Showing of Autumn Dress Goods

TOMORROW for the first time, we will show some of the beautiful dress fabrics that we are opening up daily from the best makers of the world.

We believe we are the first to show the drift of the AUTUMN WOOLEN SUITINGS, and you are most cordially invited to see what we have ready.

Besides the showing of AUTUMN DRESS GOODS there will be

Extraordinary Low Prices on all remaining

Wash Suits, Lawn and Dimity Dresses, Summer Waists, Summer Hosiery, Muslin Underwear, Etc.

An absolute disposal of all present season lines is imperative—owing to limitation of quantities, early selections are strongly urged.

JOHN J. CARROLL

Miss Margaret Fleming, and has been quite sick at the latter's home.

Captain F. C. Steele visited at his old home in Cambridge the fore part of the week.

Miss Ella Wilson has gone to Cleveland where she will spend her vacation with friends.

Mrs. Inez Knowles, who has been visiting her parents, Dr. and Mrs. F. E. Bird at their home in Lore City during the past week, have returned home.

After a pleasant visit of a week with relatives and friends in Newark, and vicinity, Mr. and Mrs. G. M. Zellers have returned to their home in Sandusky.

Miss Verna O'Conor of Hamilton county, O., who has been visiting her aunt, Mrs. J. R. Wilson, at her home in the North End for a few days, returned home Thursday.

Mr. C. M. Bonnell received a telegram calling him to Chicago, Ill., and he will immediately leave that city for Wyoming on important business for his company, The Ulen Sutherland company.

Mr. Charles Redman, one of the popular salesmen in the Erman & Son's drug store, in the East End, has been given a two weeks' vacation, and is visiting relatives and friends near Lima, O.

Emmet Ford and family have been visitors with relatives in Lore City and vicinity during the past week.

Miss Cora Marks of Lancaster will make an extended visit with Buckeye Lake and Newark friends.

Miss Mabel Kline of Kirtersville is the house guest of Miss Ruth Henderson of West Loar street. Miss Henderson will accompany Miss

Flinck home on Saturday and remain over Sunday.

Mrs. Clarence Angerman of South Third street will spend a few days in Columbus, visiting her husband who is employed in one of the large foundries there.

Arthur Lendon of Canton, O., advance agent for the Nancy Boyer company, spent Thursday in the city with his old friend, Frank Thompson, at his home, 26 West Harrison street.

Miss Jennie Morton, an accomplished and charming young woman of Columbus, who has been visiting at the home of her friend, Miss Anna Tuttle, in the North End, for some days, returned home Friday.

Miss Mary Lawrence, a most charming young woman of near East Palestine, O., who has been visiting at the home of her uncle and aunt, Mr. and Mrs. H. F. Lawrence, east of the city, returned home Friday morning.

Mr. and Mrs. O. P. Bowen and daughter, Miss Elizabeth Bowen, of 73 North Twenty-first street, will go to Shadyside, their country home, for a few weeks. They will be accompanied by their guest, Miss Gladys Curran of Newark. - State Journal.

Ralph Eldenour and Jess Blackmore two Dayton boys, returned this morning from a bicycle trip to the lakes. The route traveled by the boys included Columbus, Newark, Canton, Marion, Cleveland and from there by boat to Toledo and return by way of Lima and Froy. The trip of about 500 miles was thoroughly enjoyed and both boys had the best of health. - Dayton Herald.

SPLENDID FARM FOR SALE

180 a., known as the Beaver farm, or Excelsior Dairy, situated 1 1/2 miles N. E. of Pataskala, Licking Co., Ohio. House and buildings fronting on the Columbus and Newark road.

Here is a rare chance to secure a fine farm and good home in a sightly and healthy location, the house being located on a beautiful gravelly knoll, surrounded by fine, stately shade trees, just far enough from the public road to be out of the dust and secure a good view.

Buildings.
House of seven rooms, built when timber was no object, finished in brown wauwat in the old colonial style. A good horse barn, fitted with six regular horse stalls, besides box stalls, granaries, corn crib, wagon shed, buggy shed and farm tool house. Also a large dairy barn, will accommodate 25 cows, with storage for several tons of mill feed and 60 tons of hay.

Water.
Well watered 13 unfailing wells, spring branch, 5 springs, windmill pump with storage tank, hydrants, etc., piped in the house and dairy barn, automatic stock drinking trough for winter use and cooler for the milk.

The place now has 100 a. of pasture, 37 a. meadow, 23 a. wheat stubble that were set to clover and timothy, will be meadow next year, 6 or 7 a. corn, 13 a. virgin timber, and about 7 a. open timber.

Sugar Camp.
About 500 locust trees, many of which are now ready for use, making the farm self supporting in post timber of the very best grade for all time.

My reasons for selling—Having moved my family to Oregon some three years ago, we now wish to transfer our holdings to our present home.

Price \$100 per a. Some terms can be arranged for on deferred payments.

The farm is listed with no agents, therefore no commissions to pay. Deal direct with the owner.

HANOVER

Miss Bertha Smith left Monday for a visit in Columbus.

Belle, wife of Edgar Farrell, died at her home Saturday morning. She is survived by her husband, six children, father, four brothers, one sister and a host of friends. Funeral services were held in the M. E. church conducted by Rev. Mr. Henderson of Louisville. Interment was made in the Freysburg cemetery.

Clarence Dornan and children, Hilma and Philip of Zanesville, were guests of relatives here last week.

Mrs. Leata Paine and son of Freysburg spent Sunday here.

Miss Luin Willard is spending a few days in Denison.

George Leisach and wife spent Saturday and Sunday in Cambridge.

Miss Denice Smith has returned home after a pleasant visit in Newark.

Mr. J. M. Pender of Newark and Miss Grace Good of this place were married at the home of the brides' parents, Wednesday. They will make their future home in Newark.

Dan Leathman is quite poorly with typhoid fever.

Mrs. D. S. Cries and children spent a few days of last week with the former's parents in Coshocton county.

Misses Mabel and Mary Simmons returned home Sunday after several days' visit in Clay City.

Mrs. Ida Montgomery of Freysburg spent Saturday here.

Mr. Richard Weaver has returned home from Michigan, where he has been attending school.

Mrs. Samuel Van Hook and children have returned to their home in Denison.

Miss Hallie Gardner of Freysburg is spending a few days with Mrs. Mabel Stone.

Daddy's Bedtime Story—The Old Dog

"I Will Run and Seize the Baby"

ONCE upon a time," said daddy to Jack and Evelyn when it was time for another bedtime story, "there was a farmer who had a dog that had become quite old. The poor old animal was almost blind and could not see well any more, for his teeth were dull. Of course he could not do any more work, such as going after the cows or watching for tramps and thieves. So the farmer told his wife one day that he would shoot the dog, for he was tired, he said, of feeding him.

"The farmer's wife did not like to have the dog shot. He had been a faithful animal, she said, and deserved a better end. But the farmer would not listen to her and said he would shoot the dog the next day.

"The dog overheard him say so, and he was, of course, very much worried. He had a good friend in the woods, a wolf, and when evening came he went to the wolf and told what the farmer had said. 'Never mind,' said the wolf, 'I'll tell you what to do. Tomorrow morning the farmer and his wife will go haymaking, and they will take their baby with them, for there is no one home to leave the child with. When they are in the field I will run out and seize the baby. You must run after me and pretend that you are chasing me and trying to get the baby back. I'll run a little way and then drop the baby, and you take it back to the farmer's wife. They will praise you and say you are a good dog, and they will keep you and care for you until you die.'

"That was a good scheme, daddy, wasn't it?" said Jack.

"Indeed it was, Jack," said daddy, "and it succeeded. Everything happened just as the wolf had said it would, and the farmer and his wife praised and petted the old dog for saving the baby. They said they would keep him for the rest of his days.

"But the wolf wanted his pay for helping the dog. One day he came to the dog and said, 'Now that I have helped you, suppose you help me? I'd like to have a nice spring lamb from your master's sheepfold. When I come around for it tonight don't bark at me.'

"Now the dog was puzzled. He did not want to refuse his friend the wolf after that animal had helped him, but he knew it was not right to let the wolf steal the farmer's sheep. So he said, 'I'm afraid I can't do it. If you like I'll give you some of my own food, but I really don't see how I can let you take the farmer's sheep without letting the farmer know.'

"But that did not suit the wolf, and he went away angry. The dog told the farmer about it, and the farmer praised him and said he would watch for the wolf. That night when the wolf came for the sheep the farmer was waiting for him. He fired his gun at the wolf, but did not hit him. He frightened him so, however, that he ran away and never came near dog or farmer again."

While the Newark Country Club links are not old enough for the local people to become very proficient as golf players, yet they feel that they could give him quite a chase.

Pianos and Organs.
A second hand piano for \$50; a good organ for \$20; also new pianos at very low prices. See our stock before you buy. Sheet music, 10c. 52 West Main St. R. I. Francis. 24ft-tf

The Woman's Exchange.
Noonday lunch, 25c. Bread, pies, cakes, salads fresh every day. We wish to call your special attention to the fact that we handle Mrs. Arthur Banton's and Miss Alice Dennis' cakes. The Woman's Exchange, in the Arcade. 18tu-ftst

Mr. Imhoff Moving.
Samuel Imhoff, Jr., is moving his family from 6-1-2 South Second St. to his residence on North Fifth St. After Aug. 1st.

It has been suggested by several South End residents that an arc light be placed at the intersection of Volstead and South Second streets.

To Join Amper.
C. A. Grill and Peter Ritzer left for Columbus, where they will join the Buckeye Fishing Club, and from there they will go to camp at Austin Bay at Tenango, for two weeks. Travel increasing.

B. & O. No. 1, North End. Friday morning was drawn by two big 1100 engines, on account of the train being unusually heavy. Travel on all the roads of late has shown a wonderful increase.

Country Club Plans.
Many people have called at the Carroll store to see the plans of the Living Country Clubhouse, which is to be built at the state employment grounds. The contractors will submit bids on Aug. 13.

Family Reunion.
The third annual reunion of the Newark and Coney Island families will be held at E. H. Harwood's Thursday, Aug. 24, 1916. All relatives and friends are invited to be present and bring well filled baskets. Will meet in morning and evening trains at Union Station.

Provided With Home.
Miss Margaret Lutz, mother of the late Margaret Lutz, children's home of Newark, country arrived in the city Thursday, bringing with her a large number of household goods, which she has placed at the disposal of the Newark and Coney Island families. Mrs. Lutz, who lives about two miles south of the city, Mrs. Lutz spent the day at the home of Mrs. Charles Bartholomew, on South Second street.

Church Supper.
At the Plymouth Congregational church Sunday, Aug. 13, from 1916 to 1917 and 1918. The supper will be held at 7:30 p. m. and 8:00 p. m. The menu will be: soup, roast beef, potatoes, gravy, apple sauce, bread, butter, coffee, ice cream and cake, 25c.

Golf Champion of Coshocton.
Thad L. Montgomery, now holds the golf championship of Coshocton county, having made the 18 holes in the Country Club links in 44 each time. Mr. Montgomery's friends in Newark will be glad to have him return to his former home here and try his hand at defeating them.

AN EXPERT'S OPINION OF SKIN DISEASES

A prominent, national expert on skin diseases, whose name you are familiar with, says that in all his scientific experience he has never found so hard a disease to conquer as Eczema. Yet he does not hesitate to recommend ZEMO as a most successful remedy for the treatment of Eczema, itching skin diseases, dandruff, pimples, blackheads and all other diseases of the skin and scalp. He says that not only do its curative qualities make it popular, but also the fact that it is a clean, liquid remedy for external use, a great improvement over the old style greasy salves and lotions, which are not only unpleasant to use but do not destroy the germ life that causes the disease. ZEMO draws the germs to the surface and destroys them, leaving the skin clear and healthy. Can be used freely on infants. Mr. T. J. Evans will gladly supply those who call with a free sample bottle of ZEMO and a booklet which explains in simple language all about skin diseases and how to cure yourself at home with ZEMO.

CAPT. SWANK'S GOOD WORK IN LANDING MAN

Prosecuting Attorney Phil R. Smythe and Police Captain Charles Swank went to Columbus this morning, where the prosecutor requested before Governor Harmon and secured a requisition on the governor of Indiana for James Richardson, colored, who was arrested there at the instance of the Newark police department.

Richardson, "Lightning Bug," as he is known here, is wanted on a charge of first degree murder, he being one of the men indicted whose names were not made public.

Captain Charles Swank deserves much credit for the manner in which he secured the information which led to the location and capture of Richardson. When the information was presented before the grand jury and it was learned that Richardson was wanted, Swank was asked to bring him in. Richardson had skipped weeks before and it was with some difficulty that he succeeded in getting a clue on which to work. He stuck to the task, however, and undaunted took the slender thread and followed it intelligently until Richardson was located and arrested.

WOULD PAVE WAY FOR AGREEMENT

New York, Aug. 12.—A preliminary meeting designed by its promoters to pave the way for an agreement between the inter-state commerce commission and the railway commission of Canada, whereby international commerce shall be regulated, was held in the hotel Manhattan today.

Martin A. Knapp, chairman of the inter-state commerce commission, and J. H. Stabee, chief commissioner of the railway commission of Canada, were the conferees. Both men made it plain that the conference which will extend over several days will likely result in the adoption of a tentative working agreement. This will later be elaborated on and it is hoped adopted by both commissions.

COL. ROOSEVELT INSPECTS FARMS

Oyster Bay, N. Y., Aug. 12.—Long Island farmers occupied the attention of Colonel Roosevelt yesterday. Accompanied by Ralph Peters, president of the Long Island railroad, and Suplt. H. B. Fuller, Roosevelt left here in the Peters private car early in the morning. He first inspected the modern farms recently established along the line of the railroad between Mineola and Medford, after which he visited the railway experimental station at Medford. There he was shown the mammoth plant, erected by the Long Island railroad, where agricultural experiments and demonstrations are made for the benefit of the farmers along the line. It was planned when the party left here to have the trip occupy most of the day.

THE CLEAR-HEADED, ACTIVE MAN

Weaves brains into his daily work. This means daily waste of brain tissue which must be replaced by new material—Proper food—necessary for this replacement. This is life—Tear down to build up better. CAPT. SWANK'S GOOD WORK IN LANDING MAN

Prosecuting Attorney Phil R. Smythe and Police Captain Charles Swank went to Columbus this morning, where the prosecutor requested before Governor Harmon and secured a requisition on the governor of Indiana for James Richardson, colored, who was arrested there at the instance of the Newark police department.

Richardson, "Lightning Bug," as he is known here, is wanted on a charge of first degree murder, he being one of the men indicted whose names were not made public.

Captain Charles Swank deserves much credit for the manner in which he secured the information which led to the location and capture of Richardson. When the information was presented before the grand jury and it was learned that Richardson was wanted, Swank was asked to bring him in. Richardson had skipped weeks before and it was with some difficulty that he succeeded in getting a clue on which to work. He stuck to the task, however, and undaunted took the slender thread and followed it intelligently until Richardson was located and arrested.

HEAVY TRAFFIC ON INTERURBAN ROAD THURSDAY

The officials of the Ohio Electric Ry. way company say that the publication of the sensational story in an evening paper, other than the Advocate, that the employees of the company on this division of the interurban lines would leave their cars at 10 o'clock Thursday out of sympathy with the car men of Columbus put them to a great deal of trouble and inconvenience and they were kept busy answering line calls by people who had intended leaving the city.

The business transacted on the lines of the Ohio Electric on Thursday was enormous and it is the opinion that it was one of the biggest days in the history of the road.

The Black Hand reunion and the crowd at Buckeye Lake taxed the capacity of the road to its utmost, and a number of cars were brought into service in order to accommodate the crowds. The heavy traffic and the car strike in Columbus demoralized the service.

A procession of 2,500 colored people from Zanesville, Columbus, Delaware, Springfield and Newark was run at Buckeye Lake, and considering the conditions excellent time was made.

From Newark the interurban carried over twelve hundred people to the Black Hand reunion, while five hundred persons from Glouster came up to the lake and there were several other picnics, all requiring cars. Interurban cars were used in Columbus for making "trippers" from the interurban station in that city to the east and west limits of the city on the Columbus and Dayton division and the Columbus, Newark and Zanesville division.

and vicinity on Thursday and Friday. He left Friday afternoon for Ashtabula, where he will make an extended visit with his son, Henry Jenkins, before returning home.

Mr. and Mrs. L. H. Green and two little children, Mary and Harter, of near Bucyrus, who have been visiting friends in the village during the past week, returned home Thursday.

The Masonic lodge of Fredonia will hold its annual picnic on Cat Run, on Thursday, August 18.

The foundation for the new Sigma Delta Phi Sorority chapter house is being laid on its lot on Park street.

Miss Maud Pratt of Newark has been visiting her aunt, Mrs. E. E. Wright, for a few days.

ALL WANTED THE ADVOCATE

Ex-Senator William E. Miller has received letters from three friends, residing in different parts of the country, and in each letter is a request that he forward them copies of the Advocate. One of the gentlemen resides at Denison, Texas, another at Elton, N. Y., and a third in the Olympic mountains that border on the straits of the inlet of Puget Sound, the extreme northwest part of the state of Washington, where there are plenty of black, grizzly and cinnamon bears, mountain lions, lynx, wolves, wildcats, elk, deer, moose, caribou and other smaller game.

CORN CROP HAS GOOD PROMISE

Omaha, Neb., Aug. 12.—Reports gathered by the railroads of Omaha show a better outlook for the corn crop than at any time this season.

W. R. Capilla, superintendent of the Nebraska division, Union Pacific railroad, returned from a trip of investigation of the corn crop on the entire Nebraska mileage of his road. He says: "I feel safe in saying that this year's corn crop will be greater than that of a year ago. I find the prospects better than at any time since corn was planted last spring."

Nearly every section of the state has had good rains in the last 24 hours, and in no county is the corn suffering for water.

CONTRACTS LET FOR NEW WORK IN JUNCTION CITY

Many Derricks Going Up and Spudding Active Over the Entire Oil Field.

The Southern company is progressing nicely with its well No. 2 on the R. J. Snyder farm, in the Junction City field. It has let the contract for 10 derricks to be placed on the ground at once. It has placed within the past few days two new rigs on the Burgoon Bros. farm in Jackson township, and will commence drilling as soon as the derricks are completed.

The Ebenezer company has completed its well on the Chaney farm, in Coal township, near New Straitsville, and has a 15-barrel well.

The Crockett's Run company has completed a test on the Terrill farm, near Gore, in Hocking county, and has a 10-barrel pumper.

The Rabbit Foot well drilled in some time ago and afterwards taken up by the Avalon company and drilled deeper, has been abandoned and plugged, the company getting nothing better than a duster.

The Carter company has a derrick erected on the O. P. Driver lease in the Bremen field and expects to get started drilling on this lease in a few days.

The Twin Bridge company will complete its well No. 3 on the R. J. Snyder farm, in the Junction City field, within a few days.

The Springfield company will drill in its well No. 1 on the Myers lease in the Bremen field this week. This well is located in new territory and will be eagerly watched.

The southeastern operator is not putting forth the usual energy in the way of aggressive development work. There is a noticeable improvement, however, in the volume of operations compared with a month ago, but the work for the most part is located inside of defined territory and on farms that have room for additional locations.

The Raccoon company drilled in a dry well on the Maricle farm, in the Bremen field, last week.

The Radcliffe company drilled in a well on the Simpson Wright farm in the Bremen field last week, and has a 5-barrel well.

The Diamond company is drilling a test well on the L. J. Rankin farm east of Bremen. Its first well on this farm is said to be a 15-barrel producer.

The Walton company is drilling its well No. 4 on the Emma Elder farm near Flagdale.

The Bremen company is starting a second test well on the John Stoner farm in the Bremen field. This well is located about 900 feet from the second test well of the Mt. Hope company, located on the same farm.

The Purvis-Turner company has completed its well No. 2 on the Bachus lease in the Bremen field and has a very light well. It is said that it is not good for better than 5 barrels per day.

The Capital company, located on the C. E. Johnson farm in Jackson township, will complete its well No. 1 this week. This well is located within 400 feet of the big well of the Ruth company, on the James Ridgarden farm.

The Crusade company will complete its well No. 3 on the Burgoon lease within a few days. Nos. 1 and 2, on the same farm, are holding up with their production nicely.

GRANVILLE

Granville, O., Aug. 12.—The following from the Pacific Baptist, of McMinnville, Oregon, of July 21st, will be read with interest by many people in Granville:

"The First Baptist church of Pasadena, Cal., on July 1st, called a council of the churches of the Los Angeles County Association to advise relative to ordaining Jesse W. Stenger, M. D. Delegates were enrolled on nineteen churches. The candidate is a very clear, concise statesman, of his Christian experience, call to the ministry and view of Christian doctrines. It was voted unanimously to proceed with the public ordination service. Rev. J. F. Watson was moderator of the council and Rev. W. T. Richardson clerk. Dr. Stenger is a graduate of Boane Academy and Denison University of Granville, receiving the degree of B. S. in 1906. Last month he was graduated from the medical department of the University of California. He and his wife sail from Boston on September 21 for medical mission work on the Feluga field of South India. Rev. S. W. Stenger, who was in South India for several years, expects to return to India with his family on the same steamer with Dr. Stenger.

Both Mrs. S. W. Stenger and Mrs. J. W. Stenger are daughters of Rev. David Downie, D. D., of Nellore. The father of the two missionaries, Rev. William H. Stenger, was a Baptist pastor in California from 1884 to 1894. He has now retired from the active ministry and is living in Pasadena."

The Newark Telephone Company's Granville business has grown to an enormous extent during the past few months, and in order to accommodate the patrons of the line, will soon install a new switch board in the Granville exchange. The lines have been almost entirely rebuilt by installing cables throughout the town. It is understood that there will be three and maybe four additional lines to Newark.

The members of the County Election Board visited Granville several days ago and looked over the ground for the purpose of considering the advisability of dividing Granville village into two voting precincts. Should the board decide to make the change it will undoubtedly make Main street, the street running to the T. & O. C. depot, the dividing line.

William Jenkins, a former resident of Granville township, but who has been making his home in California for many years, visited old friends and relatives in Granville

Harfina Soap

Unequalled for SKIN AND COMPLEXION

our skin is red, blotchy or tender, our complexion is dull or unhealthy, a need a pure, healing antiseptic soap that will open the pores and expel impurities that cause eczema and other eruptions.

HARFINA SOAP contains just the properties your skin needs. There are no irritating chemicals, no clogging, impure greases in this delicate soap. It is made from pine balsam, in its pure form, combined with other soothing, healing, emollient ingredients that will make your skin as soft, clean, bright and healthy as when you were a child.

At druggists, 25 cents; or direct on receipt of price. Send 2c. for our book, "The Care of the Skin and Hair." Philo Hare Specialties Co., Newark, N. J., U. S. A.; Toronto, Canada.

VICIOUS COW INJURES WOMAN NEAR HANOVER

Hanover, August 12.—Mrs. H. S. Montgomery, wife of a farmer living two miles north of this place, was kicked by a cow this morning and badly injured. She was milking the animal, when it suddenly kicked viciously, striking Mrs. Montgomery in the head. A big gash was cut in her forehead and her eye was badly lacerated. She was rendered unconscious by the blow. She was carried into the house and Dr. W. L. Evans of Hanover, called in attendance. She will recover.

TOMORROW'S MENU

- BREAKFAST: Raspberries, French Omelet, Rice Muffins, Stewed Potatoes, Coffee.
- LUNCH: Curried Fish, Apple and Celery Salad, Rolls, Iced Chocolate, Preserves.
- DINNER: Salmon, Egg Sauce, Baked Potatoes, French Dressing, Cucumbers, Cheese, Wafers, Peach Ice Cream, Jam Cake, Coffee.

Recipes for August 12, 1916.

Curried Fish — Fry two pounds of fish in two heaping tablespoonfuls of butter. Melt another tablespoonful of butter in a saucepan and brown one chopped onion in it; add one and a half tablespoonfuls of curry powder, three tablespoonfuls of coconut, half a cupful of stock, half a cupful of milk, one teaspoonful of sugar and one teaspoonful of salt; boil for 15 minutes. Divide the fish into large flakes, add to curry with one tablespoonful of lemon juice and cook for five minutes. Serve a dish of plain boiled rice.

Jam Cake — Cream well together one-half of a cupful of butter and one cupful of sugar. Add the beaten yolks of two eggs, one-quarter of a teaspoonful of salt and one teaspoonful of vanilla. Stir in alternately one and one-half cupfuls of flour and one-half of a cupful of milk. Beat hard for five minutes, add the stiffly beaten whites of the eggs and one heaping teaspoonful of baking powder. Beat for a moment, divide in three layer pans and bake in a moderate oven. When cold spread raspberry jam between the layers.

RECOVERED HER SON IN NEWARK

A negro from Columbus, very much excited, landed in Newark this morning, hot on the trail of her son. 14 years old, whom she claims was kidnapped and brought to this city. Close questioning by Chief Hindel brought out the fact that the boy, who is a shoe shiner in Columbus, was brought to this city by a local negro, named Johnson, said to be a horse trainer.

The police at once went to work and Officers Burke and McClure found the boy this morning and returned him to his mother at police headquarters. As the boy has been secured without trouble the case may be dropped with the negro paying the mother's expenses to this city.

UTICA PEOPLE IN AUTO ACCIDENT

Dr. J. P. Wolfe and Charles Taylor of Utica met with an accident in Columbus Thursday afternoon and were fortunate in escaping with slight injuries. They had made the trip from Utica in an auto and when attempting to turn out for a rig the auto skidded and overturned. Doctor Wolfe had his collar bone broken and received a bad cut on the head while the only injuries sustained by Mr. Taylor was a sprained wrist.

NO DANGER OF STRIKE ON OHIO ELECTRIC

Columbus, O., Aug. 12.—The conductors and motormen of the Ohio Electric will hold a meeting Friday night with the officials of the road at the Springfield headquarters when an effort will be made to settle the differences between the interurban people and their car men. A strike is unlikely. In event of a strike order for the interurban men, it will effect only those employees west of Columbus. The car men east of Columbus, while organized, are not affiliated with any labor organization and would not be compelled to respond to a strike order.

FIRE DESTROYS FARM RESIDENCE

Coshocton, O., Aug. 12.—The farm residence of John Trigoman, near Wakatomika, this county, burned yesterday afternoon and all the contents except a mattress from one of the beds, were burned. Sparks from a defective chimney probably started the flames, which were discovered while Mrs. Trigoman, alone with her infant, was preparing the evening meal. The loss will probably amount to \$1500.

Some men are not satisfied to be the architects of their own fortunes unless they are constantly building extensions.

If Providence really takes care of children and fools, it must be kept pretty busy.

PERSONALS

Mrs. Thomas McDermott has returned from a visit with her son in Chicago.

Henry Eisenberg leaves tonight for a two weeks' stay at his home in New York City.

Miss Mary McElroy of Western avenue has as her house guest Miss Emma White of Delaware, Ohio.

W. P. Chapman, who represents the Holophone company in Japan and China, leaves today for New York, after spending two weeks in this city.

Miss Clara H. Zillesen leaves tonight for New York City, where she will spend the coming month at her home in that city.

Miss Edith Slaughter, who has been spending the past week with friends in Columbus, has returned to her home in this city.

Mrs. Ora Weeks and sons Kenneth and Leith, have left for their homes in Belaire, after spending several days at their cottage at Buckeye Lake.

Mr. and Mrs. John Vanarsdale, Mr. A. C. Cottinger of near Coson, Master George Morrison and Miss Selma Morrison of Newark, spent Thursday at Buckeye Lake, guests at the Loddrop-in, the Doughty cottage.

Mrs. Oscar Scheidter and sons Richard and George, were entertained Monday at "Camp Always-in" near Stadden's bridge, the hostesses being Mrs. C. L. Tanner, Mrs. Elmer Orr and Mrs. Stanley Miller.

Dr. and Mrs. J. W. Baker and Mr. and Mrs. William Fulton spent an evening this week the guests of Messrs. C. L. Tanner, Elmer Orr, and Stanley Miller at camp "Always-in", near Stadden's bridge.

GOV. HARMON WOULD KEEP UP REUNIONS

Governor Harmon in his address to the old soldiers at the reunion at Black Hand Thursday said that he had been advised that there was some thought of giving up the custom of holding the annual reunion. He deprecated the idea and advised them to keep it up. He said that if he was favored with an invitation next year he and Mrs. Harmon would surely attend. In his address he said that he never missed an opportunity to visit Licking county, where he had spent forty years of his life at Denison University. He had enjoyed in anticipation as well as in the realization of being able to be present at this reunion. He said that he had learned with sincere regret that the decimated ranks of the boys of '61 had made it hard for the remaining ones to see their way clear to maintaining the organization and that their thought of discontinuing the custom of the annual reunion. He called on those who were coming after, and reminded them of their obligation to the fast vanishing old soldier and sailor. They should keep it alive and hereafter those who gathered should be guests of the younger set of Licking county people, the old veteran first and the other fellow afterward.

Of the original organizers of this movement there remains but four gentlemen: Messrs. Thomas Wickham, William E. Cheek, better known as Pap Cheek, D. T. Francis and P. M. Brill. The first three named all live in the vicinity of Black Hand and Mr. Brill is now a resident of Harrison township near Pataskala.

LATHAM MAKES GREAT FLIGHT

Paris, Aug. 12. — Parisians, to whom aeroplane flights are now an old story, were amazed today by a sensational flight over the city by Hubert Latham in his Antoinette monoplane. Latham flew from Clagny-sur-Marne to Issy, a Paris suburb, about 130 miles, and he made the trip in three hours. He passed over Paris at a height that varied from 300 to 1000 feet. He circled the Eiffel tower and passed up the leading boulevards, descending so low at times as almost to scrape the tops of houses and buildings. He descended at Issy shortly before noon.

FAST RACE ON BIKE AFTER AN ALLEGED THIEF

Patrolman George McClure, as a "bicycle cop" would make good, if he was ever assigned to that particular branch of the service, for when he commenced to peddle he can make the wheel go as fast as George Woods, an alleged bicycle thief, will testify.

The policeman was after Woods Thursday, but the man accused of stealing a bicycle owned by Morris Hartman, made a fast getaway and escaped. All morning Officer McClure has been looking for Woods and Friday morning he spotted him. Then began a race. Woods sprinted up Fifth street with the policeman after him, but the smaller man was making good on his escape when the officer grabbed a bicycle and started in pursuit.

The chase didn't last long then and Woods was nabbed when he was near High street. He was locked up and will be given his hearing Saturday. The stolen wheel was found in a barn between Fourth and Fifth street.

SAGE AND SULPHUR

Made Her Look Twenty Years Younger

READ MRS. HERRICK'S SWORN STATEMENT

STATE OF NEW YORK } ss
COUNTY OF MONROE }
ROCHESTER, N. Y.

Nancy A. Herrick, being duly sworn, deposes and says: When I was a girl, I had a head of heavy, long, dark brown hair which was the envy of my schoolmates, and which attracted the attention and remarks of strangers. As I grew older, my hair commenced to come out, just a little at first, but gradually more and more, and then began to turn gray. I was induced by the many good reports I had heard of Wyeth's Sage and Sulphur Hair Remedy to try a bottle. My hair was quite thin and gray when I began using Sage and Sulphur, and you can imagine my satisfaction when I found that it was fast coming back to its natural condition, being thicker, darker and more glossy than it had been for a long time. I continued to use Sage and Sulphur, and my hair is now as heavy, dark and smooth as when I was a girl of sixteen. It is now four years since I commenced using Sage and Sulphur, and my hair is still in splendid condition.

Given under my hand and seal of office this 12th day of July, 1916.

Nancy A. Herrick

Daddy's Bedtime Story—

The Old Dog

"ONCE upon a time," said daddy to Jack and Evelyn when it was time for another bedtime story. "There was a farmer who had a dog that had become quite old. The poor old animal was almost blind and could not eat well any more, for his teeth were dull. Of course he could not do any more work, such as going after the cows or watching for tramps and thieves. So the farmer told his wife one day that he would shoot the dog, for he was tired, he said, of feeding him."

"The farmer's wife did not like to have the dog shot. He had been a faithful animal, she said, and deserved a better end. But the farmer would not listen to her and said he would shoot the dog the next day."

"The dog overheard him say so, and he was, of course, very much worried. He had a good friend in the woods, a wolf, and when evening came he went to the wolf and told what the farmer had said. 'Never mind,' said the wolf; 'I'll tell you what to do. Tomorrow morning the farmer and his wife will go to the field with the dog. When they are in the field I will run out and seize the dog. You must run after me and pretend that you are chasing me and trying to get the dog back. I'll run a little way and then drop the dog, and you take it back to the farmer's wife. They will praise you and say you are a good dog, and they will keep you and care for you until you die.'"

"That was a good scheme, daddy, wasn't it?" said Jack.

"Indeed it was, Jack," said daddy, "and it succeeded. Everything happened just as the wolf had said it would, and the farmer and his wife praised and petted the old dog for saving the baby. They said they would keep him for the rest of his days."

"But the wolf wanted his pay for helping the dog. One day he came to the dog and said, 'Now that I have helped you, suppose you help me? I'd like to have a nice spring lamb from your master's sheepfold. When I come around for it tonight don't bark at me.'"

"Now the dog was puzzled. He did not want to refuse his friend the wolf after that animal had helped him, but he knew it was not right to let the wolf steal the farmer's sheep. So he said: 'I'm afraid I can't do it. If you like I'll give you some of my own food, but I really don't see how I can let you take the farmer's sheep without letting the farmer know.'"

"But that did not suit the wolf, and he went away angry. The dog told the farmer about it, and the farmer praised him and said he would watch for the wolf. That night when the wolf came for the sheep the farmer was waiting for him. He fired his gun at the wolf, but did not hit him. He frightened him so, however, that he ran away and never came near dog or farmer again."

Golf Champion of Coshocton.

Thad L. Montgomery now holds the golf championship of Coshocton county, having made the 18 holes in the Country Club Links in 84 strokes, going around the course in 42 minutes. Mr. Montgomery's friends at Newark would be glad to have him return to his former home here and help him in defeating the champion.

Smooth, healthy skins are a rarity in Summer. Most persons are annoyed with pimples, boils, rashes or eruptions, while others suffer more severely with Eczema, Acne, Tetter, Salt Rheum, or some kindred skin disease. All skin affections come from humors and acids in the circulation. The blood, as it circulates through the system, deposits these acids and humors in the sensitive membranous flesh which lies just beneath the outer skin or tissue covering the body. This acid matter causes inflammation and a discharge which breaks through the delicate cuticle, and skin diseases are the result. To cure any skin trouble the blood must be freed from all acids and humors, and for this purpose nothing equals R. S. S. This great blood purifier goes down into the circulation and completely removes every particle of impurity, enriches the blood and in this way permanently cures skin diseases. R. S. S. cures, because it purifies the blood and allows it to nourish, soothe, and soften the skin instead of irritating it with very acids and humors. Book on Skin Diseases and any medical advice free. THE SWIFT SPECIFIC CO., ATLANTA, GA.

ter and coffee, 15c; pie 5c, extra. Supper, beginning at 4:30: Fried chicken, mashed potatoes, gravy, succotash, slaw, apple sauce, bread, butter, coffee, ice cream and cake. 25 cents.

The Sigler-Irwin Reunion.

Will be held in the grove just east of Richard Sigler's residence, in Franklin township, on Tuesday, Aug. 22. Relatives and friends are invited.

Sunday School Convention.

All are invited to attend the annual Sunday school convention which will be held in the convention room of the court house Sunday afternoon at 2:30 o'clock.

Police Court Light.

There wasn't much doing in police court this morning and the docket consisted of a couple of drunks, a sleeper and a train rider. The usual fines were assessed by Mayor Ankele.

Goos After Prisoner.

Captain Charles Swank of the police department left this morning for Noblesville, Ind., to bring James (Lightning Bug) Richardson back to Newark. Richardson, who is a Negro, is wanted in connection with the recent riot.

Mr. Dugan Leaves Sanitarium.

Chas. W. Dugan, one of Geo. Hermann's clerk, who has been confined at the sanitarium for the past five weeks with fever, was able to be taken to the home of Mr. Rian on North Fourth street. Mr. Dugan is very much improved and will soon be out again.

To Build Boats.

The Buckeye Lake Boat Company of Millersport has been organized and incorporated with \$15,000 capital stock by Emory B. Sowers, Geo. C. Ernest, Albert L. Allen, Wm. M. Frisbie and Milton Kelsey. Mr. Sowers is president, Mr. Frisbie treasurer and Mr. Allen general manager. The company is to manufacture boats and deal in lumber.

Home from Conclave.

Mr. and Mrs. C. L. V. Holtz, Mr. and Mrs. Frank Hurst, Jr. and Mrs. J. L. Worth, Mr. and Mrs. George Orr, Leonard H. Kelly, Fred Knowlton and others in attendance at the Knights Templar convocation at Chicago returned home today. The other Newark Knights and wives in attendance will return Saturday. All report a most excellent time.

Reunion at Rigel Park.

The annual reunion of the Parrish-Hartman families of Morgan, Muskingum, Licking, Perry and Fairfield counties was held at Rigel Park Friday, with several hundreds of the members of this family in attendance. The feature of the day was the dinner that was served at the noon hour. There was also a most interesting program carried out, consisting of speaking, music, etc.

CUT IN TWO ARE THE PRICES OF Dress Straw Hats at Hermann's the Clothier. 1242

"Dean's Ointment" cured me of eczema that had annoyed me a long time. The cure was permanent.—Hon. S. W. Matthews, Commissioner Labor Statistics, Augusta, Me.

SOUTH SIDERS HELD ANOTHER GOOD MEETING

The South Side Citizens association held a regular meeting Thursday night and by reason of changing the meeting place there was not as large an attendance as usual. The meeting was a good one, and all present were well pleased with the progress made thus far for the betterment of conditions in the South Side.

A special report from the committee assigned to confer with the council and county commissioners on the matter of straightening and making a deeper channel in the South Fork of Licking river as well as protecting the bridges at South Second street and German street. The committee feels that the progress thus far, notwithstanding suggestions were made at the meeting on this subject, and a movement will be started at once to get the proper assistance to improve the river that empty in this stream by cutting a free passage way for the sewage to the living stream instead of allowing it to collect at the mouth of these streets, as is the case during dry weather.

The matter of getting mail by carrier to the citizens on Serrano, Wehrle, Daniels and Perry streets, and avenues will be taken up at once by the women committee.

The subject of sidewalks at the railroad crossing was placed in the hands of a committee with orders to act at once in their endeavor to get a committee from the C. and O. and T. C. C. and St. L. to confer with the committee on sidewalks of the association looking toward a proposition that will be feasible and logical and then to push this improved improvement to an early completion.

The South Side Citizens association is also and have advised the women committee to have the Main Business. Every member should attend the meetings and become a law unto himself and not wait until the next meeting.

The regular meetings are held at Charol, corner of Third and Putnam streets on the second and fourth Thursdays of each month at 7:30 a. m.

Suit for Divorce.

Louis Pandura has commenced suit in the probate court for divorce from Louisa Pandura. The parties were married in Vienna, Austria-Hungary Jan. 21, 1906. For cause of action plaintiff charges charges defendant with gross neglect of duty. J. W. Horner, attorney.

The only time a man is really driven to drink is when he is so spiritless that he can't walk there.

When a woman learns to sharpen a lead pencil she feels that she is equipped to conquer worlds.

AN EXPERT'S OPINION OF SKIN DISEASES.

A prominent, national expert on skin diseases whose name you are familiar with says that in all his scientific experience he has never found so hard a disease to conquer as Eczema. Yet he does not hesitate to recommend ZEMO as a most successful remedy for the treatment of Eczema, itching skin diseases, dandruff, pimples, blackheads and all other diseases of the skin and scalp. He says that not only do its curative qualities make it popular but also the fact that it is a clean, liquid remedy for external use. A great improvement over the old style greasy salves and lotions which are not only unpleasant to use but do not destroy the germ life that causes the disease. ZEMO draws the germs to the surface and destroys them, leaving the skin clear and healthy. Can be used freely on infants. Mr. T. J. Evans will gladly supply those who call with a free sample bottle of ZEMO, and a booklet which explains in simple language all about skin diseases and how to cure yourself at home with ZEMO.

CAPT. SWANK'S GOOD WORK IN LANDING MAN

Prosecuting Attorney Phil B. Smythe and Police Captain Charles Swank went to Columbus this morning, where the prosecutor appeared before Governor Harmon and secured a requisition on the governor of Indiana for James Richardson, colored, who was arrested there at the instance of the Newark police department.

Richardson, "Lightning Bug," as he is known here, is wanted on a charge of first degree murder, he being one of the men indicted whose names were not made public. Captain Charles Swank deserves much credit for the manner in which he secured the information which led to the location and capture of Richardson. When the information was presented before the grand jury and it was learned that Richardson was wanted, Swank was asked to bring him in. Richardson had skipped weeks before and it was with some difficulty that he succeeded in getting a clue on which to work. He struck to the task, however, and undaunted took the slender thread and followed it intently until Richardson was located and arrested.

WOULD PAVE WAY FOR AGREEMENT

New York, Aug. 12.—A preliminary meeting designed by its promoters to pave the way for an agreement between the interstate commerce commission and the railway commission of Canada, whereby international commerce shall be regulated, was held in the hotel Manhattan today. Martin A. Knapp, chairman of the interstate commerce commission and J. H. Dabee, chief commissioner of the railway commission of Canada were the conferees. Both men made it plain that the conference which will extend over several days will likely result in the adoption of a tentative working agreement. This will later be elaborated on and it is hoped adopted by both commissions.

COL. ROOSEVELT INSPECTS FARMS

Oyster Bay, N. Y., Aug. 12.—Long Island farmers occupied the attention of Colonel Roosevelt yesterday. Accompanied by Repl. Peters, president of the Long Island Railroad, and Sir H. B. Fuller, Roosevelt left here in the Peters private car early in the morning. He first inspected the modern farms recently established along the line of the railroad between Mineola and Medford, after which he visited the railway experimental station at Medford. There he was shown the mammoth plant, erected by the Long Island Railroad, where agricultural experiments and demonstrations are made for the benefit of the farmers along its line. It was planned when the train left here to have the trip occupy most of the day.

If a man doesn't want his wife to be late, he shouldn't hurry her.

The clear-headed, active man weaves brains. This means daily waste of brain tissue which must be replaced by new material—proper food—necessary for this replacement. This is life—Tear down to build up better.

Grape-Nuts food contains the rebuilding elements of Wheat and barley, and At the same time requires Little effort on the part of The digestive organs. To appropriate it. That's why Grape-Nuts food Has been the mainstay For breakfast and lunch In the daily diet of thousands Of successful men for years. "There's a Reason." Read the little book, "The Road to Wellville," in pkgs.

HEAVY TRAFFIC ON INTERURBAN ROAD THURSDAY

The officials of the Ohio Electric Railway company say that the publication of the sensational story in an evening paper, other than the Advocate, that the employees of the company on this division of the interurban lines would leave their cars at 4 o'clock Thursday out of sympathy with the car men of Columbus, put them to a great deal of trouble and inconvenience and they were kept busy answering line calls by people who had intended leaving the city.

The business transacted on the lines of the Ohio Electric on Thursday was enormous and it is the opinion that it was one of the biggest days in the history of the road. The Black Hand reunion and the crowds at Buckeye Lake taxed the capacity of the road to its utmost, and all kinds of cars were brought into service in order to accommodate the crowds. The heavy traffic and the street car strike in Columbus demoralized the service.

An excursion of 2500 colored people from Zanesville, Columbus, Delaware, Springfield and Newark was run to Buckeye Lake, and considering the conditions excellent time was made.

From Newark the interurban carried over twelve hundred people to the Black Hand reunion, while five hundred persons from Glouster came up to the lake and there were several other picnics, all requiring cars. Interurban cars were used in Columbus for making "trippers" from the interurban station in that city to the east and west limits of the city on the Columbus and Dayton division and the Columbus, Newark and Zanesville division.

GRANVILLE

Granville, O., Aug. 12.—The following from the Pacific Baptist, of McMinnville, Oregon, of July 21st, will be read with interest by many people in Granville:

"The First Baptist church of Esadena, Cal., on July 1st, called a council of the churches of the Los Angeles County Association to advise relative to ordaining Jesse W. Stenger, M. D. Delegates were engaged from nineteen churches. The candidates gave a very clear, concise statement of his Christian experience, call to the ministry and view of Christian doctrines. It was voted unanimously to proceed with the public ordination service. Rev. J. F. Watson was moderator of the council and Rev. W. T. Richardson clerk. Dr. Stenger is a graduate of Doane Academy and Denison University of Granville, receiving the degree of B. S. in 1906. Last month he was graduated from the medical department of the University of California. He and his wife sail from Boston on September 21 for medical mission work on the Pelaga field of South India. Rev. S. W. Stenger, who was in South India for several years, expects to return to India with his family on the same steamer with Dr. Stenger. Both Mrs. S. W. Stenger and Mrs. J. W. Stenger are daughters of Rev. David Downie, D. D., of Nellore. The father of the two missionaries, Rev. William H. Stenger, was a Baptist pastor in California from 1884 to 1894. He has now retired from the active ministry and is living in Pasadena."

The Newark Telephone Company's Granville business has grown to an enormous extent during the past few months, and in order to accommodate the patrons of the line, will soon install a new switch board in the Granville exchange. The lines have been almost entirely rebuilt by installing cables throughout the town. It is understood that there will be three and maybe four additional lines to Newark.

The members of the County Election Board visited Granville several days ago and looked over the ground for the purpose of considering the advisability of dividing Granville village into two voting precincts. Should the board decide to make the change it will undoubtedly make Main street, the street running to the T. & O. C. depot, the dividing line.

William Jenkins, a former resident of Granville township, but who has been making his home in California for many years, visited old friends and relatives in Granville

Harfina Soap

Unequalled for SKIN and COMPLEXION

If your skin is red, blotchy or tender, if your complexion is dull or unsightly, you need a pure, healing antiseptic soap that will open the pores and expel impurities that cause Eczema and other eruptions.

HARFINA SOAP contains just the properties your skin needs. There are no irritating chemicals, no clogging, impure greases in this delicate soap. It is made from pine balsam, in its purest form, combined with other soothing, healing, emollient ingredients that will make your skin as soft, clean, bright and healthy as when you were a child.

At druggists, 25 cents; or direct on receipt of price.

Send 3c. for our book, "The Care of the Skin and Hair." Philip Ray Specialties Co., Newark, N. J., U. S. A., Toronto, Canada.

and vicinity on Thursday and Friday. He left Friday afternoon for Ashtabula, where he will make an extended visit with his son, Henry Jenkins, before returning home.

Mr. and Mrs. L. H. Green and two little children, Mary and Harter, of near Bucyrus, who have been visiting friends in the village during the past week, returned home Thursday.

The Masonic lodge of Fredonia will hold its annual picnic on Cat Run, on Thursday, August 18.

The foundation for the new Sigma Delta Phi Sorority chapter house is being laid on its lot on Park street.

Miss Maud Pratt of Newark has been visiting her aunt, Mrs. E. E. Wright, for a few days.

ALL WANTED THE ADVOCATE

Ex-Senator William E. Miller has received letters from three friends, residing in different parts of the country, and in each letter is a request that he forward them copies of the Advocate. One of the gentlemen resides at Denison, Texas, another at Ilion, N. Y., and a third in the Olympic mountains that border on the straits of the inlet of Puget Sound, the extreme northwest part of the state of Washington, where there are plenty of black, grizzly and cinnamon bears, mountain lions, lynx, wolves, wildcats, elk, deer, moose, caribou and other smaller game.

CORN CROP HAS GOOD PROMISE

Omaha, Neb., Aug. 12.—Reports gathered by the railroads of Omaha show a better outlook for the corn crop than at any time this season.

W. R. Capilla, superintendent of the Nebraska division, Union Pacific railroad, returned from a trip of investigation of the corn crop on the entire Nebraska mileage of his road. He says: "I feel safe in saying that this year's corn crop will be greater than that of a year ago. I find the prospects better than at any time since corn was planted last spring."

Nearly every section of the state has had good rains in the last 24 hours, and in no county is the corn suffering for water.

CONTRACTS LET FOR NEW WORK IN JUNCTION CITY

Many Derricks Going Up and Spudding Active Over the Entire Oil Field.

The Southern company is progressing nicely with its well No. 2 on the R. J. Snyder farm, in the Junction City field. It has let the contract for 10 derricks to be placed on the ground at once. It has placed within the past few days two new rigs on the Burgoon Bros. farm in Jackson township, and will commence drilling as soon as the derricks are completed.

The Ebenezer company has completed its well on the Cliney farm, in Coal township, near New Straitsville, and has a 15-barrel well.

The Crockett's Run company has completed a test on the Terrill farm, near Gore, in Hocking county, and has a 10-barrel pump.

The Rabbit Foot well drilled in some time ago and afterwards taken up by the Avalon company and drilled deeper, has been abandoned and plugged, the company getting nothing better than a duster.

The Carter company has a derrick erected on the O. P. Driver lease in the Bremen field and expects to get started drilling on this lease in a few days.

The Twin Bridge company will complete its well No. 3 on the R. J. Snyder farm, in the Junction City field, within a few days.

The Springfield company will drill in its well No. 1 on the Myers lease in the Bremen field this week. This well is located in new territory and will be eagerly watched.

The southeastern operator is not putting forth the usual energy in the way of aggressive development work. There is a noticeable improvement, however, in the volume of operations compared with a month ago, but the work for the most part is located inside of defined territory and on farms that have room for additional locations.

The Raccoon company drilled in a dry well on the Maricle farm, in the Bremen field, last week.

The Radcliffe company drilled in a well on the Simpson Wright farm in the Bremen field last week, and has a 5-barrel well.

The Diamond company is drilling a test well on the L. J. Rankin farm east of Bremen. Its first well on this farm is said to be a 15-barrel producer.

The Walton company is drilling its well No. 4 on the Emma Elder farm near Flagdale.

The Bremen company is starting a second test well on the John Stoner farm in the Bremen field. This well is located about 900 feet from the second test well of the Mt. Hope company, located on the same farm.

The Parvis-Turner company has completed its well No. 2 on the Bachus lease in the Bremen field and has a very light well. It is said that it is not good for better than 5 barrels per day.

The Capital company, located on the C. E. Johnson farm in Jackson township, will complete its well No. 1 this week. This well is located within 400 feet of the big well of the Ruth company, on the James Bingham farm.

The Crusade company will complete its well No. 3 on the Burgoon lease within a few days. Nos. 1 and 2, on the same farm, are holding up with their production nicely.

VICIOUS COW INJURES WOMAN NEAR HANOVER

Hanover, August 12.—Mrs. H. S. Montgomery, wife of a farmer living two miles north of this place, was kicked by a cow this morning and badly injured. She was milking the animal, when it suddenly kicked viciously, striking Mrs. Montgomery in the head. A big gash was cut in her forehead and her eye was badly lacerated. She was rendered unconscious by the blow. She was carried into the house and Dr. W. L. Evans of Hanover, called in attendance. She will recover.

TOMORROW'S MENU

- BREAKFAST: Raspberries, Stewed Potatoes, French Omelet, Coffee, Rice Muffins.
- LUNCH: Curried Fish, Apple and Celery Salad, Rolls, Preserves, Iced Chocolate.
- DINNER: Salmon, Egg Sauce, Baked Potatoes, Cucumbers, French Dressing, Wafers, Cheese, Peach Ice Cream, Jam Cake, Coffee.

Recipes for August 12, 1916.

Curried Fish -- Fry two pounds of fish in two heaping tablespoons of butter. Melt another tablespoonful of butter in a saucepan and brown one chopped onion in it; add one and a half tablespoonfuls of curry powder, three tablespoonfuls of coconut, half a cupful of stock, half a cupful of milk, one teaspoonful of sugar and one teaspoonful of salt; boil for 15 minutes. Divide the fish into large flakes, add to curry with one tablespoonful of lemon juice and cook for five minutes. Serve a dish of plain boiled rice.

Jam Cake -- Cream well together one-half of a cupful of butter and one cupful of sugar. Add the beaten yolks of two eggs, one-quarter of a teaspoonful of salt and one teaspoonful of vanilla. Stir in alternately one and one-half cupfuls of flour and one-half of a cupful of milk. Beat hard for five minutes, add the stiffly beaten whites of the eggs and one heaping teaspoonful of baking powder. Beat for a moment, divide in three layer pans and bake in a moderate oven. When cold spread raspberry jam between the layers.

RECOVERED HER SON IN NEWARK

A negro from Columbus, very much excited, landed in Newark this morning, hot on the trail of her son, 14 years old, whom she claims was kidnapped and brought to this city. Close questioning by Chief Hindel brought out the fact that the boy, who is a shoe shiner in Columbus, was brought to this city by a local negro, named Johnson, said to be a horse trainer.

The police at once went to work and Officers Burke and McClure found the boy this morning and returned him to his mother at police headquarters. As the boy has been secured without trouble the case may be dropped with the negro paying the mother's expenses to this city.

UTICA PEOPLE IN AUTO ACCIDENT

Dr. J. P. Wolfe and Charles Taylor of Utica met with an accident in Columbus Thursday afternoon and were fortunate in escaping with slight injuries. They had made the trip from Utica in an auto and when attempting to turn out for a rig the auto skidded and overturned. Doctor Wolfe had his collar bone broken and received a bad cut on the head while the only injuries sustained by Mr. Taylor was a sprained wrist.

NO DANGER OF STRIKE ON OHIO ELECTRIC

Columbus, O., Aug. 12.—The conductors and motormen of the Ohio Electric will hold a meeting Friday night with the officials of the road at the Springfield headquarters when an effort will be made to settle the differences between the interurban people and their car men. A strike is unlikely. In event of a strike order for the interurban men, it will effect only those employees west of Columbus. The car men east of Columbus, while organized, are not affiliated with any labor organization and would not be compelled to respond to a strike order.

FIRE DESTROYS FARM RESIDENCE

Coshocton, O., Aug. 12.—The farm residence of John Trigoman, near Wakatomika, this county, burned yesterday afternoon and all the contents except a mattress from one of the beds, were burned. Sparks from a defective chimney probably started the flames, which were discovered while Mrs. Trigoman, alone with her infant, was preparing the evening meal. The loss will probably amount to \$1500.

Some men are not satisfied to be the architects of their own fortunes unless they are constantly building extensions.

If Providence really takes care of children and fools, it must be kept pretty busy.

PERSONALS

Mrs. Thomas McDermott has returned from a visit with her son in Chicago.

Henry Elsenksen leaves tonight for a two weeks' stay at his home in New York City.

Miss Mary McElroy of Western avenue has as her house guest Miss Emma White of Delaware Ohio.

W. P. Chapman, who represents the Holophane company in Japan and China, leaves today for New York, after spending two weeks in this city.

Miss Clara H. Zillesen leaves tonight for New York City, where she will spend the coming month at her home in that city.

Miss Edith Staughenbaupt, who has been spending the past week with friends in Columbus, has returned to her home in this city.

Mrs. Ora Weeks and sons Kenneth and Leith, have left for their homes in Belkair, after spending several days at their cottage at Buckeye Lake.

Mr. and Mrs. John Vassarale, Mr. Vic Cottingham of near Colon, Master George Morrison and Miss Selma Morrison of Newark, spent Thursday at Buckeye Lake, guests at the Lodgion, the Doughty cottage.

Mrs. Oscar Scheidler and sons Richard and George, were entertained Monday at "Camp Always-In" near Stadden's bridge, the hostesses being Mrs. C. L. Tanner, Mrs. Elmer Orr and Mrs. Stanley Miller.

Dr. and Mrs. J. W. Baker and Mr. and Mrs. William Fulton spent an evening this week the guests of Messames C. L. Tanner, Elmer Orr, and Stanley Miller at camp "Always-In", near Stadden's bridge.

GOV. HARMON WOULD KEEP UP REUNIONS

Governor Harmon in his address to the old soldiers at the reunion at Black Hand Thursday said that he had been advised that there was some thought of giving up the custom of holding the annual reunion. He deprecated the idea and advised them to keep it up. He said that if he was favored with an invitation next year he and Mrs. Harmon would surely attend. In his address he said that the never missed an opportunity to visit Licking county, where he had spent four years of his life at Denison University. He had enjoyed in anticipation as well as in the realization of being able to be present at this reunion. He said that he had learned with sincere regret that the decorated ranks of the boys of '61 had made it hard for the remaining ones to see their way clear to maintaining the organization and that their thought of discontinuing the custom of the annual reunion. He called on those who were coming after, and reminded them of their obligation to the last vanishing old soldier and sailor. They should keep it alive and hereafter those who gathered should be guests of the younger set of Licking county people, the old veteran first and the other fellow afterward.

Of the original organizers of this movement there remains but four gentlemen: Messrs. Thomas Wickham, William E. Cheek, better known as Pap Cheek, D. T. Francis and P. M. Brill. The first three named all live in the vicinity of Black Hand and Mr. Brill is now a resident of Harrison township near Pataskala.

LATHAM MAKES GREAT FLIGHT

Paris, Aug. 12.—Parisians, to whom aeroplane flights are now an old story, were amazed today by a sensational flight over the city by Hubert Latham in his Antoinette monoplane. Latham flew from Clichon-sur-Marne to Issy, a Paris suburb, about 130 miles, and he made the trip in three hours. He passed over Paris at a height that varied from 300 to 1000 feet. He circled Eiffel tower and passed up the leading boulevards, descending so low at times as almost to graze the tops of houses and buildings. He descended at Issy shortly before noon.

FAST RACE ON BIKE AFTER AN ALLEGED THIEF

Patrolman George McClure, as a "burr cop," would make good, if he was ever assigned to that particular branch of the service, for when he commences to peddle he can make the wheel go some, as George Woods, an alleged bicycle thief, will testify.

The policeman was after Woods Thursday, but the man accused of stealing a bicycle owned by Morris Hartman, made a fast getaway and escaped. All morning Officer McClure has been looking for Woods and Friday morning he spotted him. Then began a race. Woods sprinted up Fifth street with the policeman after him, but the smaller man was making good on his escape when the officer grabbed a bicycle and started in pursuit.

The chase didn't last long then and Woods was nabbed when he was near High street. He was locked up and will be given his hearing Saturday. The stolen wheel was found in a barn between Fourth and Fifth street.

'Time's Flight Turned Backward'

SAGE AND SULPHUR

Made Her Look Twenty Years Younger

READ MRS. HERRICK'S SWORN STATEMENT

STATE OF NEW YORK } ss
COUNTY OF MONROE }
ROCHESTER, N. Y.

Nancy A. Herrick, being duly sworn, deposes and says: When I was a girl, I had a head of heavy, long, dark brown hair which was the envy of my schoolmates, and which attracted the attention and remarks of strangers. As I grew older, my hair commenced to come out, just a little at first, but gradually more and more, and then began to turn gray. I was induced by the many good reports I had heard of Wyeth's Sage and Sulphur Hair Remedy to try a bottle. My hair was quite thin and gray when I began using Sage and Sulphur, and you can imagine my satisfaction when I found that it was fast coming back to its natural condition, being thicker, darker and more glossy than it had been for a long time. I continued to use Sage and Sulphur, and my hair is now as heavy, dark and smooth as when I was a girl of sixteen. It is now four years since I commenced using Sage and Sulphur, and my hair is still in splendid condition.

**LARGE CROWDS
ARE ATTENDING
THE CHAUTAUQUA**

The Chautauqua which is being held at Summerland Beach, Bay Lake, is still attracting large crowds and will be numbered among the most successful held in the state this year. The principal feature of the program Thursday morning was the lecture, "A Theory of Power," by Dr. L. G. Herbert, and was a most interesting and valuable. Dr. Herbert also gave an address on his subject being "A Man of Men," and this was followed by a lecture, "Increasing the Productivity of Our Farms," by Homer C. Baker, of the College of Agriculture and Domestic Science at the Ohio State University. Both lectures have been interesting to all and especially valuable to the farmers in the audience. The evening by the Lyceum Dramatic company, was well given and highly entertaining.

The following is the program to be carried out at the Chautauqua during the remaining five days:

Friday, August 12—
3 p. m.—Captain Edmund Pearson Hobson, "Subject," "America's Mission as Peace-Maker Among Nations."

4 p. m.—"Alfalfa and Other Leguminous Crops," Homer C. Baker, dean of the College of Agriculture and Domestic Science at O. S. U.

8 p. m.—"Betsey Baker," a play by the Lyceum Dramatic company.

Saturday, August 13—
11:45 p. m.—"Concern," The Lyceum Dramatic company.

4 p. m.—"Improving Life in the Country," Homer C. Baker.

7:45 p. m.—"Concern," Lyceum Dramatic company.

8:30 p. m.—Lecture, Mr. W. Wareing, "Subject," "The Power of Suggestion."

Sunday, August 14—
2 p. m.—Sermon, Lieut. Col. A. M. Lochwitzky of Russia, "Subject," "What Christ Means to an Exile."

6 p. m.—Vesper service, Dr. John Crawford Mackey.

7:45 p. m.—Sermon, Rev. E. E. Haskins.

Monday, August 15—
2:30 p. m.—An Afternoon of Short Plays, Mr. and Mrs. Frank Hips.

7:45 p. m.—"The Merchant of Venice," Given by Mr. and Mrs. Hips and their students in the School of Oratory and Elocution.

Tuesday, August 16—
2 p. m.—"Ben Hur," Mrs. Chester McDonald Carr.

7:45 p. m.—The Hall of Fame.

**ST. LOUISVILLE
SCHOOL ADVANCED
TO SCHOOL GRADE**

St. Louisville, Aug. 12.—The St. Louisville high school has been advanced by the O. S. U. representative who visited the school shortly before the close of the spring term. It is now classed as a second grade school, it having been in the third grade previous to this time. St. Louisville residents are gratified by this mark of improvement in the school's efficiency. Prof. Mason has been selected by the school board to act as superintendent during the coming year. No principal has been chosen.

Mr. and Mrs. W. D. McQueen and daughter Bernice and little Bernice Kerrigan spent Saturday and Sunday with Mr. and Mrs. S. E. Mossbacher in Fallburg.

Mrs. L. L. Shadin, nee Della Smith of Boone, Ky., is visiting her parents, Mr. and Mrs. A. H. Shadin, and Mrs. J. W. Root, near Friday, until Sunday with Mr. and Mrs. Noah Reid in Newark.

Messrs. Fred Klingman and J. Weaver and Miss Frank's sisters of Newark, were guests of Mrs. Gertrude Smith Sunday.

Nelson Vanatta of Newark, is visiting Mr. and Mrs. John D. L.

Mrs. Maudie Hunt and son, Les, spent Sunday near Home.

Mr. and Mrs. Will B. Beck spent Thursday until Monday at New Falls.

Mrs. C. S. Harriman and family, Gladys of New Falls, are visiting with Mrs. Morgan Evans.

Mr. and Mrs. Carl Hanks and Jay spent Sunday with relatives in Newark.

Mr. and Mrs. Wm. O'Brien, Mr. and Mrs. John Francis and Miss Magill spent Saturday and Sunday with Mrs. E. H. Evans in Fallburg.

Several from the Fallburg community spent a birthday party at the home of Mrs. Chilcote, east of town, on Sunday.

Mrs. C. S. Slatter spent Sunday with her sister Mrs. A. J. Slatter north of town.

Mrs. Will C. Smith and family, Jennie of Lone Run, are visiting with her parents, Mr. and Mrs. Hamshire. Mrs. Smith's mother remained to spend a week with her grandparents.

Misses L. L. Bullock and St. Campbell spent Thursday at Fallburg. Mr. Teddard, of Fallburg.

**TRAIN FAMILY
MUCH WORRIED
BY THE WEDDING**

Zanesville, Aug. 12.—This affair will be made to have the marriage of Mrs. Mary B. Train, the aged, and very wealthy Zanesville woman, to James Dibs the Assurian peddler at Chicago, annulled, is indicated by the lady's departure of Mr. Train to Chicago, a son-in-law of Mrs. Train, for Chicago. While relatives will not discuss the matter, it is learned that such action will be taken.

"WE WANT U ON OUR BOOKS"

Our Fourth Great Semi-Annual Manufacturer's Sample Sale Starts Saturday Morning, Aug. 13

This is the Sale that is eagerly awaited by every economical housekeeper in Newark or vicinity.
This is the Sale that offers you the pick of the finest products of the best Housefurnishing Goods Factories in this country at **20% to 30%** less than actual value.
This is the Sale coupled with the extraordinary value-giving that has done much towards placing this store at the head of the Furniture and Carpet Business of Newark and Central Ohio.
Past experience has proven conclusively that at no other event can such extraordinary savings be had as are presented in

The Stewart Bros. & Alward Co's Semi-Annual Manufacturers Sample Sale

THE REASON FOR THIS EXTRAORDINARY SAVINGS TO YOU IS THIS---Semi-Annually in January and July of each year the large manufacturers of House Furnishing goods place on exhibition in New York, Chicago and Grand Rapids their entire sample lines, that the hundreds of retail dealers located over the United States may come, visit, inspect and purchase these stocks for the spring and fall trade. After these exhibitions are over the manufacturers, rather than reship the samples back to their respective factories, dispose of them to the big dealers at a discount of from **25% to 50%**. Our buyers are always looking for a snap of this kind and this July owing to our vast increase in business during the past six months purchased the entire sample lines of twelve of the largest and best furniture manufacturers in the country.

These samples are daily arriving and being placed on our sample floors and beginning tomorrow morning we offer you not only the pick of this great and vast array of New Fall Samples but in addition, and in order to make this positively and without exception.

WORTH MOUNTAINS OF GOLD

During Change of Life, says Mrs. Chas. Barclay

Graniteville, Vt.—“I was passing through the Change of Life and suffered from nervousness and other annoying symptoms, and I can truly say that Lydia E. Pinkham's Vegetable Compound has proved worth mountains of gold to me, as it restored my health and strength. I never forget to tell my friends what Lydia E. Pinkham's Vegetable Compound has done for me during this trying period. Complete restoration to health means so much to me that for the sake of other suffering women I am willing to make my trouble public so you may publish this letter.”—Mrs. CHAS. BARCLAY, R.F.D., Graniteville, Vt.

No other medicine for woman's ills has received such wide-spread and unqualified endorsement. No other medicine we know of has such a record of cures of female ills as has Lydia E. Pinkham's Vegetable Compound.

For more than 30 years it has been curing female complaints such as indigestion, ulceration, local weaknesses, fibroid tumors, irregularities, periodic pains, backache, indigestion and nervous prostration, and it is unequalled for carrying women safely through the period of change of life. It costs but little to try Lydia E. Pinkham's Vegetable Compound, and, as Mrs. Barclay says, it is “worth mountains of gold” to suffering women.

Bliss College Closes.

The August vacation at Bliss College begins today. The past year at this popular institution has been the very best in its history, both in the way of attendance and in facilities for placing graduates in remunerative positions. The past week there has not been a student on the roll who is prepared to take a position, and during the past week calls have come to the office for four stenographers and bookkeepers that could not be supplied.

The fall term will begin Tuesday, Sept. 12th, in all departments. Enrollment books are now open at the college. The prospects are for a very large enrollment, and those desiring to enter for the coming year will do well to make arrangements at once. 12d1t

CCUT IN TWO are the prices of Dress Straw Hats at Hermann's the Clothier. 12d1t

JACKSONTOWN

On Thursday Miss Grace Osburn and guests, Miss Griswold of Wooster and Miss Faulkner of Philadelphia, Virginia, Miss Rose Osburn and Robert Campbell went to Newark where they were met by Mr. Wiley in his automobile and shown over the city and through the Heisey glass works. Miss Helen Wolcott of Columbus is spending a month with her grandparents Mr. and Mrs. Andrew Beard.

Mrs. Kate Osburn and Miss Virginia Sikest are spending this week at the Lancaster camp grounds.

Miss Laura Beard was the guest last week of Miss Hazel Harter at St. Louisville.

Mrs. Cummings, Mrs. Frank Bearl and children of Columbus, and Mr. and Mrs. Clarence Rutledge spent Thursday very pleasantly with W. E. Wallace and family.

Mrs. L. E. Crow entertained the Ladies Aid of the M. E. church at her home on Main street on Wednesday. The guests of the aid were Mrs. Edward Binder and daughter Mary Katherine, of Columbus, O.; Mrs. Bert Wells of Newark, Mrs. M. M. Rieckel and daughter Ruth of Thornville, Mrs. Jones of Denver, Colo.; Mrs. Madeline Joseph of Boardman, Frank Davis, Stanley Steuber of Newark, and the Messrs. Hannah and Rebecca Crow. In the evening the ladies gave an ice cream social, from which they realized \$2.

Mrs. W. H. Mosen and children of Toronto, Canada, are guests of Mr. and Mrs. Leonard Peden.

Mr. Charles Handley and daughter, Mary, of Kalamazoo, are guests of Mr. Handley's father, Mr. Frank Handley.

Mrs. Eli Wise of Newark spent Tuesday with her mother Mrs. Park Dening.

Miss Elizabeth Gribble is ill at her home on West Main street.

Keep Baby Healthy in Summer

It is easier to keep some children in health in winter than in summer. And yet it is very important that the child should be strong and well during the hot weather. In the first place, a very little ill is liable to develop into a large one in summer because of the germs in milk, water and many kinds of food. You should be especially careful not to allow your children to become irregular in their stools during the heated term. The best relief you can give it, and the surest permanent cure, is Dr. Caldwell's Syrup Pepsin. It is exactly suited to the needs of children because it is gentle and mild in action, absolutely pure and free from narcotics, pleasant to take, and yet does its work promptly and efficiently. Thousands of mothers keep it constantly in the house against emergencies, and as a bottle costs only 50 cents or \$1.00, and can be conveniently obtained of any druggist, no family should be without it. If you are one who has never tried Dr. Caldwell's Syrup Pepsin and would like to do so before buying it in the regular way, you can obtain a FREE BOTTLE by sending your address to

DR. W. B. CALDWELL, 400 Caldwell Bldg., Monticello, Ill.

CAR STRIKE

(Continued from Page 1.)

Davis were on the car and the three drew their revolvers and fired at the automobile. As the machine turned into Jaeger street one of the men in it stood up and emptied a revolver at the car and detectives. They escaped in the machine.

Detective Hamer was struck on the arm by a stone. His arm was severely sprained and bruised.

Later an auto was found abandoned at Schiller and Siebert streets. It was identified as belonging to Dr. J. M. Thomas of 1126 Neil avenue. The machine had been stolen from in front of Memorial Hall at 9:30. The police think the men who stole it were the ones engaged in the revolver duel with them.

Terrified by shots fired at the car and the explosion of torpedoes beneath the wheels Miss Florence Heiman, a passenger on a north bound Summit street car, is in a serious condition at her home, 1917 Summit street.

The car was passing over Fourth street viaduct when a volley of shots were fired through it. At the same moment the wheels struck torpedoes placed in the tracks and Miss Heiman fell to the floor of the car unconscious. The motorman turned on the power and the car dashed ahead. Miss Heiman was lifted from the car and carried into the home of her uncle, J. A. Farrar, with whom she makes her home.

She will probably be confined to her bed for some time, according to a report obtained by the police last night.

Reports that the motorman on car 612 of the Neil avenue line was shooting between the houses as his car passed along Neil avenue between Goodale and Paplar streets, were made to the police at 11:05 by residents of Neil avenue. Two squads of police were sent to investigate, but were unable to locate the car, although they secured the names of witnesses who will testify to the shooting.

Conductor A. Anan on car 407 of the cemetery line, was struck in the back by a stone at Sullivan and Martin avenues last night. He was severely injured, but refused to go to a hospital.

A. Anderson, his motorman, was also injured. His forehead and middle finger were mashed and his wrist sprained.

C. Brown, motorman on car 411 on the Mt. Vernon line, was struck on the finger by a brick in Sullivan avenue near Glenwood avenue. The finger was mashed.

J. Kidwell, his conductor, was hit in the back, but was not seriously injured.

Harold Harvey, aged 35, a motorman on the Neil avenue car line, was knocked unconscious when struck on the head by a brick at Neil avenue and Goodale street. When taken to Mt. Carmel hospital by Dr. H. D. Farrar, the company physician, it was found that his head was severely lacerated and his body bruised. The man evidently had been struck by a half brick thrown with great force.

Two arrests, one for keeping a saloon open in violation of the mayor's proclamation, and one for loitering, represented the net results of police activity during the night.

E. J. Lester, a former policeman, was arrested by Detective Claude McNair in the saloon of D. E. Shrider, 551 North High street, where he acted in the capacity of bartender, and lodged in the city prison, charged with violating the mayor's proclamation.

Thomas Durham, a substitute conductor employed at the West Broad street barns, was arrested by Officer T. C. Alkire and Special Policeman Pendleton on a charge of loitering, after he had refused to move away when the police were trying to prevent the formation of a crowd. He was released on bond, furnished by officers of the railway company.

Nothing was done yesterday on the question of a special grand jury to hear the street car rioting cases. The project has met with favor on all sides as being the speediest way by which the disturbing element could be handled.

Until the return of Judge M. G. Evans to the city tomorrow nothing will be done. Further steps will be decided at a conference to be held between him and Judge C. M. Rogers.

Nurses at Mt. Carmel hospital charge the compresses on the eyes of H. R. Deall, nonunion street car man, every three minutes as he lies on a cot with both eyes burned, his mouth and throat seared by muriatic acid thrown at him by a rioter Wednesday night.

We are trying to save his eyes," said Dr. T. K. Wesson, the physician in attendance upon him last night.

Since the acid was dashed on Deall's face his eyes have been constantly bandaged. It is known whether he will be blind for life. The eye acid dashed down his throat and membranes of the throat and mouth are seared and burned. He is in agony from the terrible wounds. It is possible that the attack may cost him his life.

Deall is 35 years old and comes from Cleveland. He had been working

LEAD ORE IN BEARPAW MOUNTAINS, MONTANA

(Report by Geological Survey.)

The approaching exhaustion of the world's richer known lead-producing districts gives special interest to the study of any possible sources of lead in countries where increasing prices or improved methods may soon make even low-grade deposits valuable. Accordingly the United States Geological Survey has published a report by lead field of the Bearpaw Mountains in Montana. This report will be contained in the Survey's Bulletin 420, giving the results of some work done by the Survey's geologists in 1909, but has also been issued separately in an advance chapter on lead and zinc, number 1344, which may be had by applying to the Director, United States Geological Survey, Washington, D. C.

The region considered was long ago prospected for gold and silver, but no valuable mineral deposits were found until about 1888, when work was begun on a vein of argilliferous galena near Livod. A claim on this vein was patented in 1892, but work was suspended because it proved to be unprofitable. Since that time several other claims have been patented, and some work has been done, though no ore has yet been produced.

NEED MORE MONEY FOR THE TROOPS

An additional \$15,000 will be asked of the state emergency board by Adjutant General Weybrecht to cover the expense of taking the troops to Columbus to quell rioting incident to strike. Adjutant General Weybrecht of the Ohio National Guard, said the situation originally allowed by the board would not pay the per diem of the soldiers. This will mean \$7,000.

Adjutant General Weybrecht accompanied Colonel L. G. Catrow of the Third regiment, to Camp Perry yesterday in the adjutant's automobile. Captain H. H. H. Wheeler, T. A. Smeal, Capt. Toledo, with a detail of his company, will accompany the adjutant of the First Brigade of the Guard at Ft. Ancient the last week in August.

DICK SHOULD MAKE ANOTHER PREDICTION

Beverly, Mass., Aug. 12.—“A good old-fashioned tramp and a good old-fashioned Republican,” was the prediction today by Senator Charles Dick. The senator has been moved from his quarters in the state house to a small room in the city hall, where he will remain until he can be moved to his quarters in the state house.

CONSCIENCE TROUBLED HIM

New York, Aug. 12.—Because his conscience troubled him, Bernard McVillon surrendered to the police and confessed to breaking a woman's skull with a hammer. He is a carpenter and on August 11 crept up behind his landlady, Mrs. Bessie Taylor, struck her down with a hammer and robbed her of \$11.

ORDINANCE

NO. 2062.

To regulate the use of gasoline, naphtha, benzole, coal tar products, and all other light petroleum in any trade or business in the city of Newark, Ohio.

Be it ordained by the Council of the City of Newark, State of Ohio, that:

Sec. 1. That it shall be unlawful and the same is hereby declared to be a misdemeanor for any person, firm or corporation to use gasoline, naphtha, benzole, coal tar products, and all other light petroleum in any trade or business in the city of Newark, Ohio, except in the following described limits: Bounded on the west by Fifth street, on the north by Locust street, on the east by First street, and on the south by the tracks of the Baltimore & Ohio Railroad company and the Pittsburgh, Cincinnati, Chicago and St. Louis Railway company in the City of Newark, Ohio.

Sec. 2. Any person, firm or corporation found guilty before the Mayor of the misdemeanor provided for in the ordinance shall, upon conviction, be fined in any sum not less than One dollar nor more than Five Hundred dollars, and shall pay the costs of prosecution, and each day said person or firm or corporation shall be liable for the same until the fine is paid.

Sec. 3. This ordinance shall take effect on the first day of August, 1916, and after the first period allowed by law.

Passed August 1st, 1916.

W. L. FULTON, President of Council.
Attest: James McCall, Clerk.
Approved by the Mayor this 3rd day of August, 1916.
JOHN M. ANKLE, Mayor.

ORDINANCE

NO. 2063.

Authorizing and directing the Director of Public Safety of the City of Newark, Ohio, to enter into a contract for the purchase of Five Hundred gallons of kerosene for the use of the City of Newark, Ohio.

Be it ordained by the Council of the City of Newark, State of Ohio, that:

Sec. 1. That the Director of Public Safety is hereby authorized and directed to advertise, or bids for Five Hundred gallons of kerosene for the use of the City of Newark, Ohio, and to accept the lowest and best bid, and to execute a contract for the purchase of the same.

Sec. 2. That the Director of Public Safety shall, upon the expiration of the contract, report to the Council of the City of Newark, Ohio, the amount of the same.

Sec. 3. This ordinance shall take effect on the first day of August, 1916, and after the first period allowed by law.

Passed August 1st, 1916.

W. L. FULTON, President of Council.
Attest: James McCall, Clerk.
Approved by the Mayor this 3rd day of August, 1916.
JOHN M. ANKLE, Mayor.

ORDINANCE

NO. 2064.

To regulate the use of gasoline, naphtha, benzole, coal tar products, and all other light petroleum in any trade or business in the city of Newark, Ohio.
